

Community Liaison Committee Membership Application

This is an application form for membership on the Community Liaison Committee (CLC) for the Highway 101 Twinning - Three Mile Plains to Falmouth.

Members of the CLC will be volunteers, drawn from people who live, work and play in the area. Ideally, they will be people who are active in local organizations (stakeholder groups) that represent interests that could potentially be impacted by the highway twinning project. Some examples include recreation, business, and environment interests.

The CLC will also include two members-at-large, who may not be involved in local community groups but who have a significant number of contacts in the community.

Why are we looking for people who are members of local organizations or have strong community networks? It is because in CLC meetings, members will represent the interests of people in their stakeholder groups and in their community networks. They will also take on a role of communicating the CLC work to their contacts.

The CLC will start before the end of 2016 and will be active until the highway twinning project is complete. That could be over six years. Members do not have to commit for the duration of the project, but they should recognize that there is a significant amount of time involved. Meetings are expected to be held four to six times a year.

There is more information on the CLC at <http://hwy101windsor.ca>. You will also be able to download a copy of the Draft CLC Charter which describes the committee's Terms of Reference.

If you feel you would like to participate in the CLC, please fill out the following application form and submit it by November 14, 2016 to info@hwy101windsor.ca. You can also mail it to:

Beyond Attitude Consulting Inc.
3650 Hammonds Plains Road
Unit 14, Suite 371
Upper Tantallon, NS
B3Z 4R3

Attention: CLC

Applications will be reviewed by the CLC Independent Facilitator and representatives of the Nova Scotia Transportation and Infrastructure Renewal (NSTIR) and Nova Scotia Agriculture (NSA; the Project Team Leads). Decisions on membership will be based on building a committee with strong representation of the local community.

If you have questions about the CLC or this application, send an email to Ken Donnelly, CLC Facilitator, at info@hwy101windsor.ca or telephone/message Ken at 902-223-6123.
